To use BookMyne on an Android device:

- Go to the Google Play store and install BookMyne.
- Open BookMyne on your Android device.
- The inbuilt GPS will find BookMyne compatible libraries near you.
- Select the target symbol at the top of the screen.
- Select University of Malaya Library to search the catalogue.
- Click 'My account' and login with your library ID number and PIN to see your account details.

View your account and see what items are checked out and when they're due. Renew them all or check only the ones that you want renewed by tapping the arrow at the top.

Search the catalog by keyword, title, subject or barcode. Tap the "availability" area to see which branches own a copy and if it's available (checked in). If you have an overdue book a red alert will be displayed as shown above.
